ASSIGNMENT OVERVIEW

Assignment Title: 1270345 - SOLID WASTE TREATMENT IN THE  
FRAMEWORK OF PUBLIC SANITATION SERVICES

Assignment Countries:

- Colombia

## ASSIGNMENT DESCRIPTION

This consultancy's objective is to identify the necessary strategies and tools to reduce generated solid waste intended for final disposal in landfills and to collect the necessary information to analyze and evaluate said wastes treatment alternatives.

The above will be carried out by means of a study that compiles information regarding organic waste treatment activities in the framework of public sanitation services as a response to the country's commitments to Climate Change, as well as the articulation of the mitigation component with the SUI that allows companies to report their mitigation actions, government institutions to have the necessary information for decision-making and control entities to have traceable information to strengthen the MRV systems.
